RE: Recommendation Letter

To Whom It May Concern:

I think very highly of Cy Marlow and his professional staff at LJ Michaels, therefore it is my great pleasure to write a letter of recommendation on their behalf. I have personally known Cy Marlow for about 12 years in the Real Estate Industry. Cy Marlow was/is contracted by the REO Asset Companies he has dealt with for many years to sell Bank Owned Properties in his immediate area. Our paths crossed through the Title Company the Asset Company processed their Preliminary Title Work through and our relationship prospered. As the Title Department Manager we worked very closely to coordinate a very smooth closing transaction, and a strong work relationship was developed and established. Cy Marlow and his staff are truly professionals and have everyone's best interest at heart.

Cy Marlow is a creative and original thinker with many excellent ideas in the Real Estate Industry. The professionalism Cy and his experienced staff display goes without saying, they go above and beyond to make sure everyone has full knowledge and disclosure of the transaction he or she are about to enter through their excellent communication skills.

Overall I highly recommend Cy Marlow in every facet of the Real Estate Market whether it be through the REO Asset Departments he represents or will represent in the future or the individual sales transaction, Cy is a true professional in every facet on the business. If you have any questions in regards to Cy Marlow please feel free to contact the undersigned.

Sincerely,

Cathy L. Upton
