Re: Recommendation

To Whom It May Concern:

I have had the pleasure of working with Cy Marlow and his staff for over 5 years.

I own my own outsource company – Fehrenbacher Real Estate Services, Inc. (“FRESI”) and my company provides outsourcing services to lender clients in Indiana.

I had used two different brokers in the Terre Haute area before I had the good fortune to discovered Cy. Cy is a unique individual, as you will find out as you get to know him. He is knowledgeable, professional, ethical and multi talented. His firm’s method of promoting his listings has been very successful.

I highly recommend Cy Marlow and his staff to any company who has foreclosed properties to sell in Terra Haute and surrounding counties, and know Cy will do a good job for them.

Very Truly Yours,

Mike Fehrenbacher
