Re: Recommendation Letter

To whom it may concern:

I have had the distinguished pleasure of working with Cy Marlow and his staff at L.J. Michaels for over 10 years.

I have found both Cy and his staff to be very knowledgeable in the REO business. They work extremely hard for their REO sellers and consistently deliver. They always conduct themselves in a professional manner in dealing with what we all know can be a challenging segment of the real estate business.

Investors Titlecorp has felt lucky to be able to work a team of professionals who know how to get the job done right the first time at L.J. Michaels. We are proud to offer our statewide title and escrow services to his staff and their customers and will continue to strive to do it fast and efficiently for years to come.

Cy Marlow and the staff at L.J. Michaels is one I would highly recommend to any institution that is looking to move their properties quickly and efficiently. You cannot go wrong in making the decision to give them a try for your real estate needs.

Very Truly Yours,
